Dear Stockholder:

On behalf of the Board of Directors of Trident Acquisitions Corp. (the "Company" or "we"), I invite you to attend our Special Meeting of Stockholders (the "Special Meeting"). We hope you can join us. The Special Meeting will be held at 10:00 a.m. Eastern Time on May 27, 2021. Due to the COVID-19 pandemic, the Company will be holding the Special Meeting via teleconference using the following dial-in information:

US Toll Free	1-888-433-2831
International Toll	1-719-955-2379
Participant Passcode	212 407 4923

The Notice of Special Meeting of Stockholders, the Proxy Statement and the proxy card accompany this letter and are also available at <https://www.cstproxy.com/tridentacquisitions/sms2021>. We are first mailing these materials to our stockholders on or about May 14, 2021.

As discussed in the enclosed Proxy Statement, the Special Meeting will be devoted to (i) a proposal to amend (the "Charter Amendment") the Company's amended and restated certificate of incorporation, as amended (the "charter") to extend the date by which the Company has to consummate a business combination (the "extension") for an additional three months, with an ability to further extend for an additional three months if approved by the Company's board of directors (the termination date as so extended, the "Extended Termination Date"), (ii) a proposal to amend (the "Trust Amendment") the Company's investment management trust agreement (the "Trust Agreement"), dated as of May 29, 2018, by and between the Company and Continental Stock Transfer & Trust Company (the "trustee"), as amended, to extend the date on which to commence liquidating the trust account ("trust account") established in connection with the Company's initial public offering ("IPO") in the event the Company has not consummated a business combination by the Extended Termination Date, and (iii) consideration of any other business matters properly brought before the Special Meeting.

The purpose of the Charter Amendment and the Trust Amendment is to allow the Company more time to complete a business combination. The Company's IPO prospectus and original charter provided that the Company initially had until December 1, 2019 to complete its initial business combination. At our 2019 Annual Meeting (the "2019 Annual Meeting"), our stockholders approved a proposal to amend our amended and restated certificate of incorporation to extend the time by which we were required to complete a business combination two (2) times for an additional three months each time. Our stockholders were able to elect to redeem their shares in connection with the 2019 Annual Meeting for a pro rata portion of the amount then on deposit in the Trust Account (\$10.00 per share, plus any pro rata interest earned on the funds held in the Trust Account and not previously released to us to pay franchise and income taxes). With respect to public shares not redeemed in connection with the 2019 Annual Meeting, we agreed to make a cash contribution of \$500,000 to the Trust Account for each three month extension, which extended our time to complete a business combination until June 1, 2020. At a special meeting of our stockholders held on May 28, 2020, our stockholders approved a proposal to amend our amended and restated certificate of incorporation a second time to extend the time by which we were required to complete a business combination by an additional three months, or until September 1, 2020. Our stockholders were again given the ability to elect to redeem their shares in connection with the special meeting for a pro rata portion of the amount then on deposit in the Trust Account. With respect to the public shares not redeemed in connection with the special meeting, we agreed to make a cash contribution equal to \$0.15 for each public share of common stock that did not elect to redeem. At a special meeting of our stockholders held on August 28, 2020, our stockholders approved a proposal to amend our amended and restated certificate of incorporation a third time to extend the time by which we were required to complete a business combination by an additional three months, or until December 1, 2020. Our stockholders were again given the ability to elect to redeem their shares in connection with the special meeting for a pro rata portion of the amount then on deposit in the Trust Account. With respect to the public shares not redeemed in connection with the special meeting, we agreed to make a cash contribution equal to \$0.15 for each public share of common stock that did not elect to redeem. On November 30, 2020, we held our 2020 Annual Meeting of the Stockholders (the "2020 Annual Meeting") at which the stockholders approved a proposal to amend our amended and restated Certificate of Incorporation a fourth time to extend the date by which we have to complete a business combination for an additional three months to March 1, 2021, with an ability to further extend for an additional three months to June 1, 2021 (the "Current Termination Date"), if approved by our board of directors. None of our stockholders elected to redeem their shares in connection with the 2020 Annual Meeting. With respect to public shares not redeemed in connection with the 2020 Annual Meeting, we agreed to deposit an aggregate of \$289,323.50 into our trust account, representing \$0.05 for each public share of common stock that did not redeem in connection with the 2020 Annual Meeting.

The purpose of the Charter Amendment is to allow the Company more time to complete its proposed business combination (the “Transaction”) pursuant to the Business Combination Agreement, dated as of February 21, 2021, as it may be amended (the “Merger Agreement”), by and among the Company, Trident Merger Sub II Corp. and AutoLotto, Inc. (the “Seller”). The Company’s IPO prospectus and charter provide that the Company has until the Current Termination Date to complete a business combination. As a result, our board of directors has determined it is in the best interests of the Company and our stockholders to extend the termination date from the Current Termination Date to the Extended Termination Date (the “Extension”) and provide that the date for cessation of operations of the Company if the Company has not completed a business combination would similarly be extended to the Extended Termination Date.

While we have entered into a definitive agreement with the Seller in respect of the Transaction, our board of directors currently believes that there will not be sufficient time before the Current Termination Date to hold a special meeting at which to conduct a vote for stockholder approval of the Transaction. Accordingly, our board of directors believes that in order to be able to consummate the Transaction, we will need to obtain the Extension.

If the Charter Amendment proposal is not approved at the special meeting or any adjournment or postponement thereof and we do not consummate a business combination by June 1, 2021, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the outstanding public shares, which redemption will completely extinguish public stockholders’ rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject (in the case of (ii) and (iii) above) to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

We know that many of our stockholders will be unable to attend the Special Meeting. We are soliciting proxies so that each stockholder has an opportunity to vote on all matters that are scheduled to come before the stockholders at the Special Meeting. Whether or not you plan to attend, please take the time now to read the Proxy Statement and vote by submitting by mail a paper copy of your proxy or vote instructions, so that your shares are represented at the Special Meeting. You may also revoke your proxy or vote instructions and change your vote at any time prior to the Special Meeting. Regardless of the number of Company shares you own, your presence in person or by proxy is important for quorum purposes and your vote is important for proper corporate action.

Thank you for your continuing interest in Trident Acquisitions Corp. We look forward to seeing you at the Special Meeting.

If you have any questions about the Proxy Statement, please contact us at Trident Acquisitions Corp., One Liberty Plaza, 165 Broadway St, 23rd Floor, New York, NY 10006.

Sincerely,

/s/ Vadim Komissarov

Purpose of the Special Meeting

At the Special Meeting, you will be asked to consider and vote upon the following matters:

1. A proposal to amend (the “Charter Amendment”) the Company’s amended and restated certificate of incorporation, as amended (the “charter”) to extend the date by which the Company has to consummate a business combination (the “extension”) for an additional three months, with an ability to further extend for an additional three months if approved by the Company’s board of directors (the termination date as so extended, the “Extended Termination Date”).
2. A proposal to amend (the “Trust Amendment”) the Company’s investment management trust agreement (the “Trust Agreement”), dated as of May 29, 2018, by and between the Company and Continental Stock Transfer & Trust Company (the “trustee”), as amended, to extend the date on which to commence liquidating the trust account (“trust account”) established in connection with the Company’s initial public offering (“IPO”) in the event the Company has not consummated a business combination by the Extended Termination Date.
3. To act on such other matters as may properly come before the Special Meeting or any adjournment or adjournments thereof.

The purpose of the Charter Amendment is to allow the Company more time to complete its proposed business combination (the “Transaction”) pursuant to the Business Combination Agreement, dated as of February 21, 2021, as it may be amended (the “Merger Agreement”), by and among the Company, Trident Merger Sub II Corp. and AutoLotto, Inc. (the “Seller”). The Company’s IPO prospectus and charter provide that the Company has until the Current Termination Date to complete a business combination. As a result, our board of directors has determined it is in the best interests of the Company and our stockholders to extend the termination date from the Current Termination Date to the Extended Termination Date (the “Extension”) and provide that the date for cessation of operations of the Company if the Company has not completed a business combination would similarly be extended to the Extended Termination Date.

The Company’s IPO prospectus and original charter provided that the Company initially had until December 1, 2019 to complete its initial business combination. At our 2019 Annual Meeting (the “2019 Annual Meeting”), our stockholders approved a proposal to amend our amended and restated certificate of incorporation to extend the time by which we were required to complete a business combination two (2) times for an additional three months each time. Our stockholders were able to elect to redeem their shares in connection with the 2019 Annual Meeting for a pro rata portion of the amount then on deposit in the Trust Account (\$10.00 per share, plus any pro rata interest earned on the funds held in the Trust Account and not previously released to us to pay franchise and income taxes). With respect to public shares not redeemed in connection with the 2019 Annual Meeting, we agreed to make a cash contribution of \$500,000 to the Trust Account for each three month extension, which extended our time to complete a business combination until June 1, 2020. At a special meeting of our stockholders held on May 28, 2020, our stockholders approved a proposal to amend our amended and restated certificate of incorporation a second time to extend the time by which we were required to complete a business combination by an additional three months, or until September 1, 2020. Our stockholders were again given the ability to elect to redeem their shares in connection with the special meeting for a pro rata portion of the amount then on deposit in the Trust Account. With respect to the public shares not redeemed in connection with the special meeting, we agreed to make a cash contribution equal to \$0.15 for each public share of common stock that did not elect to redeem. At a special meeting of our stockholders held on August 28, 2020, our stockholders approved a proposal to amend our amended and restated certificate of incorporation a third time to extend the time by which we were required to complete a business combination by an additional three months, or until December 1, 2020. Our stockholders were again given the ability to elect to redeem their shares in connection with the special meeting for a pro rata portion of the amount then on deposit in the Trust Account. With respect to the public shares not redeemed in connection with the special meeting, we agreed to make a cash contribution equal to \$0.15 for each public share of common stock that did not elect to redeem. On November 30, 2020, we held our 2020 Annual Meeting of the Stockholders (the “2020 Annual Meeting”) at which the stockholders approved a proposal to amend our amended and restated Certificate of Incorporation a fourth time to extend the date by which we have to complete a business combination for an additional three months to March 1, 2021, with an ability to further extend for an additional three months to June 1, 2021 (the “Current Termination Date”), if approved by our board of directors. None of our stockholders elected to redeem their shares in connection with the 2020 Annual Meeting. With respect to public shares not redeemed in connection with the 2020 Annual Meeting, we agreed to deposit an aggregate of \$289,323.50 into our trust account, representing \$0.05 for each public share of common stock that did not redeem in connection with the 2020 Annual Meeting.

While we have entered into a definitive agreement with the Seller in respect of the Transaction, our board of directors currently believes that there will not be sufficient time before the Current Termination Date to hold a special meeting at which to conduct a vote for stockholder approval of the Transaction. Accordingly, our board of directors believes that in order to be able to consummate the Transaction, we will need to obtain the Extension.

If the Charter Amendment proposal is not approved at the special meeting or any adjournment or postponement thereof and we do not consummate a business combination by June 1, 2021, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject (in the case of (ii) and (iii) above) to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

Voting Rights and Revocation of Proxies

The record date with respect to this solicitation is the close of business on May 7, 2021 (the "Record Date") and only stockholders of record at that time will be entitled to vote at the Special Meeting and any adjournment or adjournments thereof.

The shares of the Company's common stock ("Common Stock") represented by all validly executed proxies received in time to be taken to the Special Meeting and not previously revoked will be voted at the meeting. This proxy may be revoked by the stockholder at any time prior to its being voted by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. We intend to release this Proxy Statement and the enclosed proxy card to our stockholders on or about May 14, 2021.

Dissenters' Right of Appraisal

Holders of shares of our Common Stock do not have appraisal rights under Delaware law or under the governing documents of the Company in connection with this solicitation.

Outstanding Shares and Quorum

The number of outstanding shares of Common Stock entitled to vote at the Special Meeting is 11,967,720. Each share of Common Stock is entitled to one vote. The presence in person or by proxy at the Special Meeting of the holders of 5,983,860 shares, or a majority of the number of outstanding shares of Common Stock, will constitute a quorum. There is no cumulative voting. Shares that abstain or for which the authority to vote is withheld on certain matters (so-called "broker non-votes") will be treated as present for quorum purposes on all matters.

Broker Non-Votes

Holders of shares of our Common Stock that are held in street name must instruct their bank or brokerage firm that holds their shares how to vote their shares. If a shareholder does not give instructions to his or her bank or brokerage firm, it will nevertheless be entitled to vote the shares with respect to “routine” items, but it will not be permitted to vote the shares with respect to “non-routine” items. In the case of a non-routine item, such shares will be considered “broker non-votes” on that proposal.

Proposal 1 (Charter Amendment) is a matter that we believe will be considered “non-routine.”

Proposal 2 (Trust Amendment) is a matter that we believe will be considered “non-routine.”

Banks or brokerages cannot use discretionary authority to vote shares on Proposals 1 or 2 if they have not received instructions from their clients. Please submit your vote instruction form so your vote is counted.

Required Votes for Each Proposal to Pass

Assuming the presence of a quorum at the Special Meeting:

Proposal	Vote Required	Broker Discretionary Vote Allowed
Charter Amendment	Majority of outstanding shares	No
Trust Amendment	Majority of the outstanding shares of common stock sold in the IPO	No

Abstentions will count as a vote against each of the proposals.

Voting Procedures

Each share of our common stock that you own in your name entitles you to one vote on each of the proposals for the Special Meeting. Your proxy card shows the number of shares of our common stock that you own.

- You can vote your shares in advance of the Special Meeting by completing, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided. If you hold your shares in “street name” through a broker, bank or other nominee, you will need to follow the instructions provided to you by your broker, bank or other nominee to ensure that your shares are represented and voted at the Special Meeting. If you vote by proxy card, your “proxy,” whose name is listed on the proxy card, will vote your shares as you instruct on the proxy card. If you sign and return the proxy card but do not give instructions on how to vote your shares, your shares of our common stock will be voted as recommended by our board of directors. Our board of directors recommends voting “FOR” the Charter Amendment and the Trust Amendment.
- You can attend the Special Meeting and vote telephonically even if you have previously voted by submitting a proxy. However, if your shares of common stock are held in the name of your broker, bank or other nominee, you must get a proxy from the broker, bank or other nominee. That is the only way we can be sure that the broker, bank or nominee has not already voted your shares of common stock.

Solicitation of Proxies

The solicitation of proxies is made by the Company. The expenses of solicitation of proxies will be paid by the Company. We may solicit proxies by mail, and the officers and employees of the Company may solicit proxies personally or by telephone and will receive no extra compensation from such activities. The Company will reimburse brokerage houses and other nominees for their expenses incurred in sending proxies and proxy materials to the beneficial owners of shares held by them.

Delivery of Proxy Materials to Households

Only one copy of this Proxy Statement will be delivered to an address where two or more stockholders reside with the same last name or whom otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of this Proxy Statement. If you share an address with at least one other stockholder, currently receive one copy of our Proxy Statement at your residence, and would like to receive a separate copy of our Proxy Statement for future stockholder meetings of the Company, please specify such request in writing and send such written request to Trident Acquisitions Corp., One Liberty Plaza, 165 Broadway St, 23rd Floor, New York, NY 10006; Attention: Secretary, or call the Company promptly at (646) 229-7549.

If you share an address with at least one other stockholder and currently receive multiple copies of our Proxy Statement, and you would like to receive a single copy of our Proxy Statement, please specify such request in writing and send such written request to Trident Acquisitions Corp., One Liberty Plaza, 165 Broadway St, 23rd Floor, New York, NY 10006; Attention: Secretary.

Conversion Rights

Pursuant to our currently existing charter, any holders of our public shares may demand that such shares be converted for a pro rata share of the aggregate amount on deposit in the trust account, less taxes payable, calculated as of two business days prior to the Special Meeting. Public stockholders may seek to have their shares redeemed regardless of whether they vote for or against the proposals and whether or not they are holders of our common stock as of the Record Date. If you properly exercise your conversion rights, your shares will cease to be outstanding and will represent only the right to receive a pro rata share of the aggregate amount on deposit in the trust account which holds the proceeds of our IPO (calculated as of two business days prior to the Special Meeting), less the amount that was redeemed by our stockholders after the 2019 Annual Meeting, the special meeting held on May 28, 2020, the special meeting held on August 28, 2020, and the 2020 Annual Meeting. For illustrative purposes, based on funds in the trust account of approximately \$63,366,778.40 on May 13, 2021, the estimated per share conversion price would have been approximately \$11.00.

In order to exercise your conversion rights, you must:

- submit a request in writing prior to 5:00 p.m., Eastern time on May 25, 2021 (two business days before the Special Meeting) that we convert your public shares for cash to Continental Stock Transfer & Trust Company, our transfer agent, at the following address:

Continental Stock Transfer & Trust Company
1 State Street, 30th Floor
New York, NY 10004
Attn: Mark Zimkind
E-mail: mzimkind@continentalstock.com

and

- deliver your public shares either physically or electronically through DTC to our transfer agent at least two business days before the Special Meeting. Stockholders seeking to exercise their conversion rights and opting to deliver physical certificates should allot sufficient time to obtain physical certificates from the transfer agent and time to effect delivery. It is our understanding that stockholders should generally allot at least two weeks to obtain physical certificates from the transfer agent. However, we do not have any control over this process and it may take longer than two weeks. Stockholders who hold their shares in street name will have to coordinate with their broker, bank or other nominee to have the shares certificated or delivered electronically. If you do not submit a written request and deliver your public shares as described above, your shares will not be redeemed.

Any demand for conversion, once made, may be withdrawn at any time until the deadline for exercising conversion requests (and submitting shares to the transfer agent) and thereafter, with our consent. If you delivered your shares for conversion to our transfer agent and decide within the required timeframe not to exercise your conversion rights, you may request that our transfer agent return the shares (physically or electronically). You may make such request by contacting our transfer agent at the phone number or address listed above.

Prior to exercising conversion rights, stockholders should verify the market price of our common stock, as they may receive higher proceeds from the sale of their common stock in the public market than from exercising their conversion rights if the market price per share is higher than the conversion price. We cannot assure you that you will be able to sell your shares of our common stock in the open market, even if the market price per share is higher than the conversion price stated above, as there may not be sufficient liquidity in our common stock when you wish to sell your shares.

If you exercise your conversion rights, your shares of our common stock will cease to be outstanding immediately prior to the Special Meeting (assuming the Charter Amendment and Trust Amendment are approved) and will only represent the right to receive a pro rata share of the aggregate amount on deposit in the trust account. You will no longer own those shares and will have no right to participate in, or have any interest in, the future growth of the Company, if any. You will be entitled to receive cash for these shares only if you properly and timely request conversion.

If the Charter Amendment and the Trust Amendment are not approved and we do not consummate an initial business combination by June 1, 2021, we will be required to dissolve and liquidate our trust account by returning the then remaining funds in such account to the public stockholders and our warrants to purchase common stock will expire worthless.

Holders of outstanding units must separate the underlying public shares and public warrants prior to exercising conversion rights with respect to the public shares.

If you hold units registered in your own name, you must deliver the certificate for such units to Continental Stock Transfer & Trust Company with written instructions to separate such units into public shares and public warrants. This must be completed far enough in advance to permit the mailing of the public share certificates back to you so that you may then exercise your conversion rights with respect to the public shares upon the separation of the public shares from the units.

If a broker, dealer, commercial bank, trust company or other nominee holds your units, you must instruct such nominee to separate your units. Your nominee must send written instructions by facsimile to Continental Stock Transfer & Trust Company. Such written instructions must include the number of units to be split and the nominee holding such units. Your nominee must also initiate electronically, using DTC's deposit withdrawal at custodian (DWAC) system, a withdrawal of the relevant units and a deposit of an equal number of public shares and public warrants. This must be completed far enough in advance to permit your nominee to exercise your conversion rights with respect to the public shares upon the separation of the public shares from the units. While this is typically done electronically the same business day, you should allow at least one full business day to accomplish the separation. If you fail to cause your public shares to be separated in a timely manner, you will likely not be able to exercise your conversion rights.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our voting securities by (i) each person who is known by us to be the beneficial owner of more than 5% of our issued and outstanding common stock, (ii) each of our officers and directors, and (iii) all of our officers and directors as a group as of the Record Date.

PROPOSAL 1: THE CHARTER AMENDMENT

The proposed Charter Amendment would amend our existing charter to allow us to extend the date by which the Company has to consummate a business combination (the “Extension”) for an additional three months, with an ability to further extend for an additional three months if approved by the Company’s board of directors (the termination date as so extended, the “Extended Termination Date”). At our 2019 Annual Meeting, our stockholders approved a proposal to extend the time by which we had to complete a business combination two (2) times for an additional three months each time; at our special meeting held on May 28, 2020, our stockholders approved a proposal to further extend the time by which we had to complete a business combination by an additional three months, expiring on September 1, 2020; at our special meeting held on August 28, 2020, our stockholders approved a proposal to further extend the time by which we had to complete a business combination by an additional three months, expiring December 1, 2020; and at our 2020 Annual Meeting, our stockholders approved a proposal to extend the time by which we had to complete a business combination two (2) times for an additional three months each time, expiring June 1, 2021 (the “Current Termination Date”). All stockholders are encouraged to read the proposed Charter Amendment in its entirety for a more complete description of its terms. A copy of the proposed Charter Amendment is attached hereto as Annex A.

Reasons for the Proposed Charter Amendment

The Company is proposing to amend its charter to extend the date by which it has to consummate a business combination from the Current Termination Date to the Extended Termination Date.

The Company is actively working to complete a “business combination” as defined under the Company’s charter, but the Company has not signed a definitive agreement and therefore will be unable to consummate a business combination by the Current Termination Date. The Charter Amendment is essential to allow the Company more time to consummate a business combination prior the Extended Termination Date. Approval of the Charter Amendment is a condition to the implementation of the Extension. The Company believes that given the Company’s expenditure of time, effort and money on sourcing and performing due diligence on potential target companies, circumstances warrant providing public stockholders an opportunity to consider the Extension and allow the Company an opportunity to consummate a business combination.

If the Charter Amendment proposal is not approved and we have not consummated a business combination by the Current Termination Date, we will (a) cease all operations except for the purpose of winding up, (b) as promptly as reasonably possible but not more than ten business days thereafter, subject to lawfully available funds therefor, redeem 100% of the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including interest income, divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders’ rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (c) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject in each case to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. There will be no distribution from the trust account with respect to our warrants or rights which will expire worthless in the event we wind up.

Vote Required and Board of Directors’ Recommendation

Approval of the amendment to the amended and restated certificate of incorporation requires the affirmative vote of at least a majority of the outstanding shares of common stock. If your shares are held in street name, your broker, bank, custodian, or other nominee holder cannot vote your shares on this proposal, unless you direct the holder how to vote, by marking your proxy card. Broker non-votes, abstentions or the failure to vote on the Charter Amendment will have the same effect as a vote “AGAINST” the Charter Amendment.

The Board recommends a vote FOR the Charter Amendment.

PROPOSAL 2: THE TRUST AMENDMENT

The proposed Trust Amendment would amend our existing Trust Agreement to change the date by which the trustee must commence liquidating the trust to the Extended Termination Date. All stockholders are encouraged to read the proposed amendment in its entirety for a more complete description of its terms. A copy of the proposed Trust Amendment is attached hereto as Annex B.

Reasons for the Proposed Trust Amendment

The Company is proposing to amend its Trust Agreement to extend the date on which to commence liquidating the trust account in the event the Company has not consummated a business combination by the Extended Termination Date.

The Trust Amendment is essential to allowing the Company more time to consummate a business combination. Approval of the Trust Amendment is a condition to the implementation of the Extension.

If the Trust Amendment proposal is not approved and we have not consummated a business combination by the Current Termination Date, we will (a) cease all operations except for the purpose of winding up, (b) as promptly as reasonably possible but not more than ten business days thereafter, subject to lawfully available funds therefor, redeem 100% of the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including interest income, divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (c) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject in each case to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. There will be no distribution from the trust account with respect to our warrants which will expire worthless in the event we wind up.

Vote Required and Board of Directors' Recommendation

The affirmative vote of holders of a majority of the outstanding shares of common stock sold in the IPO is required to approve the Trust Amendment. Broker non-votes, abstentions or the failure to vote on the Trust Amendment will have the same effect as a vote "AGAINST" the Trust Amendment.

The Board recommends a vote FOR the Trust Amendment.

TRANSACTIONS WITH RELATED PERSONS, PROMOTERS AND CERTAIN CONTROL PERSONS

In March 2016, we sold an aggregate of 3,737,500 shares of our common stock for \$25,000, or approximately \$.007 per share, to VK Consulting, Inc., which is controlled by Vadim Komissarov. Such shares were subsequently sold to the pre-initial public offering stockholders of the Company.

Channingwick Limited, BGV Group Limited, Lake Street Fund L.P., Mount Wilson Global Fund L.P., and FLOCO Ventures LLC, certain of our stockholders, purchased, pursuant to written purchase agreements with us, 1,150,000 private units for a total purchase price of \$11,500,000, from us. These purchases took place on a private placement basis simultaneously with the consummation of our initial public offering. The private units are identical to the units sold in our initial public offering. However, the holders have agreed (A) to vote their private shares and any public shares acquired in favor of any proposed business combination, (B) not to propose, or vote in favor of, an amendment to our certificate of incorporation that would affect the substance or timing of our obligation to redeem 100% of our public shares if we do not complete our initial business combination by the deadline specified in our amended and restated certificate of incorporation, as amended from time to time, unless we provide our public stockholders with the opportunity to redeem their shares of common stock upon approval of any such amendment at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including interest earned on the funds held in the trust account and not previously released to us to pay our franchise and income taxes, divided by the number of then outstanding public shares, (C) not to convert any shares (including the private shares) into the right to receive cash from the trust account in connection with a stockholder vote to approve our proposed initial business combination (or sell any shares they hold to us in a tender offer in connection with a proposed initial business combination) or a vote to amend the provisions of our certificate of incorporation relating to the substance or timing of our obligation to redeem 100% of our public shares if we do not complete our initial business combination by the Current Termination Date and (D) that the private shares shall not be entitled to be redeemed for a pro rata portion of the funds held in the trust account if a business combination is not consummated. Additionally, our insiders (and/or their designees) have agreed not to transfer, assign or sell any of the private units or underlying securities (except to the same permitted transferees as the insider shares and provided the transferees agree to the same terms and restrictions as the permitted transferees of the insider shares must agree to, each as described above) until the completion of our initial business combination.

In order to meet our working capital needs, our insiders, officers and directors may, but are not obligated to, loan us funds, from time to time or at any time, in whatever amount they deem reasonable in their sole discretion. Each loan would be evidenced by a promissory note. The notes would either be paid upon consummation of our initial business combination, without interest, or, at the lender's discretion, up to \$200,000 of the notes may be converted upon consummation of our business combination into additional private units at a price of \$10.00 per unit. Our stockholders have approved the issuance of the private units upon conversion of such notes, to the extent the holder wishes to so convert such notes at the time of the consummation of our initial business combination. If we do not complete a business combination, any outstanding loans from our insiders, officers and directors or their affiliates, will be repaid only from amounts remaining outside our trust account, if any.

The holders of our insider shares, as well as the holders of the private units (and underlying securities) and any shares our insiders, officers, directors or their affiliates may be issued in payment of working capital loans made to us, will be entitled to registration rights. The holders of a majority of these securities are entitled to make up to two demands that we register such securities. The holders of the majority of the insider shares can elect to exercise these registration rights at any time commencing three months prior to the date on which these shares of common stock are to be released from escrow. The holders of a majority of the private units or shares issued in payment of working capital loans made to us can elect to exercise these registration rights at any time after we consummate a business combination. In addition, the holders have certain "piggy-back" registration rights with respect to registration statements filed subsequent to our consummation of our initial business combination. We will bear the expenses incurred in connection with the filing of any such registration statements.

VK Consulting, Inc., a company owned by Vadim Komissarov, one of our officers, has made available to us certain general and administrative services, including office space, utilities and administrative support, as we may require from time to time. We have agreed to pay VK Consulting, Inc. \$7,500 per month for these services. However, pursuant to the terms of such agreement, we may delay payment of such monthly fee upon a determination by our audit committee that we lack sufficient funds held outside the trust to pay actual or anticipated expenses in connection with our initial business combination. Any such unpaid amount will accrue without interest and be due and payable no later than the date of the consummation of our initial business combination. We believe that the fee charged by VK Consulting is at least as favorable as we could have obtained from an unaffiliated person.

In March 2016, VK Consulting, Inc. loaned the Company \$425,000 to be used for the payment of costs related to the Initial Public Offering. On February 15, 2018, the terms of the promissory note with VK Consulting were amended such that the loan is now payable upon the consummation of a Business Combination. The loan was repaid in December 2019.

On December 17, 2019, Viktoria Group, LLC loaned the Company \$180,000 under a promissory note to fund its working capital requirements and finance transaction expenses in connection with a Business Combination. The promissory note was non-interest bearing and payable on December 2, 2020. The loan was non-interest bearing and was repaid on June 18, 2020.

On January 30, 2020, VK Consulting, Inc. loaned the Company \$425,000 under a promissory note to fund its working capital requirements and finance transaction expenses in connection with a Business Combination. The promissory note is non-interest bearing and currently due on demand.

On February 7, 2020, May 15, 2020 and August 27, 2020, BGV Group Limited loaned the Company an aggregate of \$3,400,000 under promissory notes to fund its working capital requirements and finance transaction expenses in connection with a Business Combination. The promissory notes are non-interest bearing and currently due on demand.

Other than the fees described above, no compensation or fees of any kind, including finder's fees, consulting fees or other similar compensation, will be paid to our insiders or any of the members of our management team, for services rendered to us prior to, or in connection with the consummation of our initial business combination (regardless of the type of transaction that it is). However, such individuals will receive reimbursement for any out-of-pocket expenses incurred by them in connection with activities on our behalf, such as identifying potential target businesses, performing business due diligence on suitable target businesses and business combinations as well as traveling to and from the offices, plants or similar locations of prospective target businesses to examine their operations. There is no limit on the amount of out-of-pocket expenses reimbursable by us; provided, however, that to the extent such expenses exceed the available proceeds not deposited in the trust account and the interest income earned on the amounts held in the trust account, such expenses would not be reimbursed by us unless we consummate an initial business combination.

After our initial business combination, members of our management team who remain with us may be paid consulting, board, management or other fees from the combined company with any and all amounts being fully disclosed to stockholders, to the extent then known, in the proxy solicitation materials furnished to our stockholders. It is unlikely the amount of such compensation will be known at the time of a stockholder meeting held to consider our initial business combination, as it will be up to the directors of the post-combination business to determine executive and director compensation. In this event, such compensation will be publicly disclosed at the time of its determination in a Current Report on Form 8-K, as required by the SEC.

All ongoing and future transactions between us and any of our officers and directors or their respective affiliates will be on terms believed by us to be no less favorable to us than are available from unaffiliated third parties. Such transactions will require prior approval by our audit committee and a majority of our uninterested independent directors, in either case who had access, at our expense, to our attorneys or independent legal counsel. We will not enter into any such transaction unless our audit committee and a majority of our disinterested independent directors determine that the terms of such transaction are no less favorable to us than those that would be available to us with respect to such a transaction from unaffiliated third parties.

Procedures for Approval of Related Party Transactions

Our Code of Ethics requires us to avoid, wherever possible, all related party transactions that could result in actual or potential conflicts of interests, except under guidelines approved by the board of directors (or the audit committee). Related-party transactions are defined as transactions in which (1) the aggregate amount involved will or may be expected to exceed \$100,000 in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any (a) executive officer, director or nominee for election as a director, (b) greater than 5% beneficial owner of our shares of common stock, or (c) immediate family member, of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity). A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

We also require each of our directors and executive officers to annually complete a directors' and officers' questionnaire that elicits information about related party transactions.

These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

To further minimize conflicts of interest, we have agreed not to consummate our initial business combination with an entity that is affiliated with any of our insiders, officers or directors unless we have obtained an opinion from an independent investment banking firm and the approval of a majority of our disinterested and independent directors (if we have any at that time) that the business combination is fair to our unaffiliated stockholders from a financial point of view. Furthermore, in no event will our insiders, or any of the members of our management team be paid any finder's fee, consulting fee or other similar compensation prior to, or for any services they render in order to effectuate, the consummation of our initial business combination (regardless of the type of transaction that it is).

OTHER BUSINESS

While the accompanying Notice of Special Meeting of Stockholders provides for the transaction of such other business as may properly come before the Special Meeting, the Company has no knowledge of any matters to be presented at the Special Meeting other than those listed as Proposals 1 and 2 in the notice. However, the enclosed Proxy gives discretionary authority in the event that any other matters should be presented.

By Order of the Board of Directors.
